Thanks to those who have sent through their orders for the new polo shirts – these are under way – we will keep you posted on a likely delivery date. We do have some red ties in stock, and Julie Howes was able to source some blue jumpers at a good price (speak to her to see if she has any left).

While we wait for our uniforms, if anyone does have 2nd hand jumpers they no longer need, bring them down to the club or advertise on Facebook – there's sure to be someone who would be willing to purchase from you.

DC'S REPORT

Hoping to see as many members as possible at our next rally.

Fingers crossed that the rain stops so that our grounds are not too wet to ride on.. Don't forget to put your names down for our special August 2nd cross country part-rally. We realise that this is not on the usual weekend and that you may have something else on, but times are very flexible for those who might have something else on for that day. Either way, we will fully utilise our instructors on that day and the groups will be as small as possible and sessions will be for as long as possible.

In the near future there will be some fund raising to help our members-Jackie Wright, Lauren Howes and Marlee Carter go to the National Horse Trials, Show Jumping and Dressage Championships in South Australia. It's a great achievement for 3 of the competitors to all come from the same club.

A date to put in your diary is the 1st of November. It's the Lilydale and Mooroolbark Pony Club Supercross. There will be grades 1 to 5 and open sections as well see you on Sunday.

Interzone Teams Horse Trials

This is a competition between zones. It's a great opportunity to meet riders from other clubs, whilst representing your zone. Entries will be submitted to North Metro zone, who will put teams together. Although there is a limit on the numbers of teams, in practice, most riders have been able to get a place on a team in past years.

Please take note of the qualifying criteria for this event:

Combinations must have completed all three phases, without elimination, of a least two Pony Club events of their grading with no more than 60 cross country penalties. Riders over 13 years who have been in pony club for more than 2 years must have their C Certificate.

When: 12/13 Sept

Where: PCAV Park
Gladysdale

Grades: 3 and 4

More Info? :Event information is available on PCAV's web site

As soon as zone's entry process is published we will let you know.

C Certificates

Karen Brooks is organising C Certificates for riders who need these urgently for Interzone Horse Trial. She has received 12 books and has contacted riders that have advised they wish to fast-track their C Certificates. If you haven't heard from Karen and have not been put in a C Certificate group (see rally plan) you need to contact her urgently!

Instructor Emily Russell is going to help support riders through the process but there will be a lot of work for you to do - the exam is on 22nd August and completed workbooks are due one month prior.

Pony Club Australia – Nationals

When: 29/9-4/10

Where: Murray Bridge
South Australia

Grade: 1

Congratulations to three of our riders who have qualified for Pony Club's Australian championships this year:

Lauren Howes – Senior Dressage

Jackie Wright – Senior Eventing & Tetrathlon

Marlee Carter – Junior Dressage

Thanks Marlee, one of our newest recruits, for helping add to the strong representation from our club!

Good luck to you all in your preparation for this event.

Duty Roster Information

Who are the Roster Co-ordinators?

The committee has two members who are responsible for organising rally and event rosters, they are Julie Howes and Dianna Moore. Both have been active committee members of pony club for many years. Feel free to contact us at any time if you have any queries or concerns regarding rosters.

- Julie Howes – 0400 122 343
- Dianna Moore – 0418 357 486

We look forward to working with all families of the club and we most certainly appreciate the efforts that everyone is willing to put in to assist with the successful running of Lilydale and Mooroolbark Pony Club and our events.

In preparing a duty roster we will aim to contact all families on duty in the week prior. We also hope to formulate a duty roster that works a few months in advance to allow families the opportunity to plan ahead. We understand that with young riders you need to be more hands on, therefore it is important to communicate with us and also consider bringing an extra helper when you are rostered on for duty.

Rosters will be published in the newsletter, emailed and placed on Facebook.

RALLY DAY DUTY EXPECTATIONS:

- Please plan to arrive on time for set up (as per roster, 8.00am for this rally)
- Report to the co-ordinator assigned to your area of set-up to get specific instructions
- Be available to assist others once you've completed your aspect of set-up
- Be prepared to assist with any unforeseen duties that need to be attended to on rally day

END OF DAY PACK-UP:

This is the responsibility of **ALL FAMILIES**. As a club of 80 riders, if all families pitch in and do their bit at the end of the day, pack up can be done quickly and easily. Pack-up expectations are as follows;

- Pack up the arena your rider finishes on. If all families members assist with this then the arena pack up will be finished by the time the rider has untacked and packed the float
- If you are on cross country you need to return to the show jumping arena that your rider rode in earlier in the day and assist with packing up this ring.

CLUB TRAIL RIDE

Last Sunday some of the pony club met for a trail ride that Lauren had very kindly organised for us!

It was a brisk morning but the rain held off and we were set up for an awesome morning of riding :)

We all met out at Doongala Pony Club where we were able to park and get our horses ready, we posed for a photo and headed off...

No one really knew the trails that well but we trusted Lauren and her hand drawn map to get us home safely!

We were out for about an hour and i think it is safe to say we all had a ball, we got to ride on roads, up hills, down hills, on wide trails, narrow trails and even did some water obstacles! Some of the parents rode out too and others walked with us. It would be awesome if more people were to make it next time as it was such a great experience, I know that I can't wait for the next one!!

Some of the horses got a bit more excited than others but we all arrived back safe and sound and in one piece. Thank you to the Schey family for cooking us some yummy sausages to have when we got home, it was nice to sit and relax and catch up with some friends outside of a rally day!

Sam Caudwell

Note to all Riders – if you would like to appear in the Out and About Section please send in your photos, paragraph about your performance and awards.

Happy Competing!
